I forward herewith an application addressed to me by the Hanuman Transport ~~Export~~ Co., Ltd., Udipi, for the issue of a licence in form M under the petroleum Rules for the import of dangerous petroleum at the ports of Cochin, Calicut and Tellicherry. The District Magistrate, South Kanara, whom I consulted informsme that the applicants are one of the big motor bus companies in the district having a good reputation and that he has recommended to Government their applications for licences for the storage of petroleum and for its import at the ports in that district. As their application shows, the applicants intend to import petroleum at the ports in Malabar only when the ports in the South Kanara are closed. I request that a licence may be issued. The customs and port authorities whom the Sub Divisional Magistrate consulted in this matter state that they have no objection to the issue of a licence.

Your obedient servant,
